# QE SCHOOL BUS SERVICE

The school bus service at QE now covers even more surrounding areas, across eight routes, for the 2023/24 school year.

Anyone wishing to sign-up to the service must complete a transfer request form. Upon starting with the service, and each academic year thereafter. This can be found by logging into the Parent portal and completing the Annex K form.

## Safety notice

The safety of QE students is our priority. If there is no one to collect your child at the designated stop, or if we have not been notified of a change to the person there to collect your child, they will be taken back to QE where they can be collected. Should an emergency arise, and you are unable to collect your child until a later time, we can arrange for them to have supper at the school and they will be cared for until you are able to collect them.

All buses are fitted with seatbelts, which must always be worn by students whilst using the service. Failure to do so will result in them being excluded from using the service.
