Please follow this link to complete the form electronically which allows for more accuracy and routing to the correct department.

COVID-19 precautions:

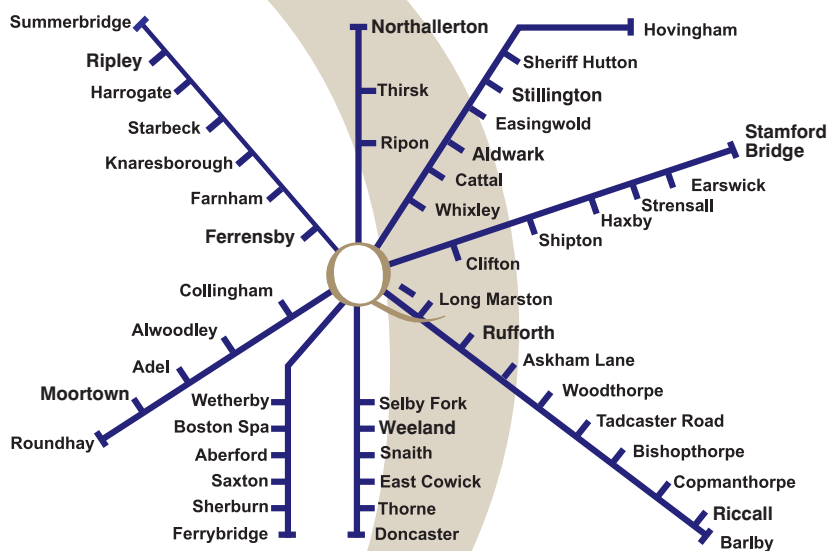

- All QE bus drivers will be wearing a face visor whilst driving QE buses
- All students must wear a facemask while travelling on the bus.
- Hand Sanitiser will be provided
- All vehicles will be fogged daily after use

The school bus service at QE now covers even more surrounding areas, across eight routes, for the 2020/21 school year.

Anyone wishing to sign-up to the service must complete a transfer request form upon starting with the service, and each academic year thereafter. This can be found at: [www.qe.org/home/admissions](http://www.qe.org/home/admissions)

The safety of QE students is our priority. If there is no one to collect your child at the designated stop, or if we have not been notified of a change to the person there to collect your child, they will be taken back to QE where they can be collected. Should an emergency arise, and you are unable to collect your child until a later time, we can arrange for them to have supper at the school and they will be cared for until you are able to collect them.

All buses are fitted with seatbelts, which must always be worn by students whilst using the service. Failure to do so will result in them being excluded from using the service.
